I'm having my logistics section chief verify if he can pay for the adds, so all we need your help on is identifying the newspapers we should place the add in.

There have been a few edits by R8 counsel, newest draft attached. Do you have any comments — should I coordinate with anyone else?

Thanks,

Mike

Subject: FW: GKM AR public notice

Hello R6 and R9 Colleagues,

Regards the Admin Record & Index for the GLMR, attached is the notice. The Action Memo is in HQ for review and will be added when it is finalized. It will run in the Durango Herald prior to the CERCLA required date of 10/4/2015 (60 days from the start of on-site activity).

Most of the documents in the AR are already on the public site EPA website. Due to the wide area of the response, copies will be made available by CD or DVD and it's planned to post it as well.

Cheers,

Mike

Should the title of the notice reference the "Initial" AR?
